2. About Us

Your Trusted Partner for High-End Custom Packaging

Founded in 2017, we are a professional packaging manufacturer specializing in custom design and production of luxury gift boxes, corrugated boxes, paper bags and rigid boxes. With a factory area of 11,800 m² square meters and advanced production lines, we focus on providing one-stop packaging solutions for global clients in beauty, luxury, e-commerce and foreign trade industries.

Our core mission: Deliver high-quality, consistent and customizable packaging that enhances your brand value.

3. Why Us

What Makes Us Stand Out

- **100% Custom Design** – Professional design team tailors packaging solutions according to your brand style, size and demand.
- **Fast Sampling & Stable Delivery** – Sample ready in 2-3 days, mass production delivery on time, meeting your urgent order needs.
- **Environmentally Friendly Materials** – FSC, BSCI certified materials, eco-friendly and sustainable, complying with international environmental standards.
- **Global Export Experience** – Products exported to Europe, America, Southeast Asia and other regions, familiar with international packaging standards and customs requirements.
- **OEM/ODM Capability** – Support OEM/ODM services, from design, sampling to mass production, providing one-stop service.

4. Products

Our Product Range

4.1 Luxury Gift Box

High-end luxury gift boxes for beauty, luxury goods and premium gifts. Customizable in material, color, size, with hot stamping, UV, embossing and other processes. G7 color standard ensures brand consistency.

4.2 Corrugated Box

Durable corrugated boxes for logistics, e-commerce and industrial packaging. Single-wall, double-wall and triple-wall options available. Custom printing, size and thickness to meet your packaging and transportation needs.

4.3 Custom Paper Bag

Eco-friendly and elegant paper bags for shopping, gifts and brand promotion. Customizable in material (kraft paper, art paper), printing, handle style (rope handle, paper handle) and size.

5. Production & Equipment

Advanced Equipment & Efficient Production

We adhere to strict quality control standards throughout the production process. From raw material selection to finished product delivery, every link is inspected by professional quality inspectors to ensure that each product meets international standards. Our certifications prove our commitment to quality and environmental protection.

7. Custom Process

Simple & Efficient Custom Process

1. **Inquiry** – You contact us with your packaging needs (size, material, style, quantity).
2. **Design & Proof** – Our design team creates a draft and makes samples according to your requirements.
3. **Confirm Artwork** – You confirm the sample and artwork, and we confirm the order details.
4. **Mass Production** – We start mass production with strict quality control.
5. **Inspection** – Professional quality inspection before delivery to ensure product qualification.
6. **Shipment** – We arrange shipment according to your designated logistics method, and track the goods until they arrive.

8. Factory & Showroom

Our Factory & Showroom

We have a modern factory and a professional showroom, where you can see our products and production process on site. Our team is dedicated to providing you with professional and thoughtful service.
